## EDUCATION

### University of St Andrews

*Computer Science (Bsc)*

**St Andrews, Scotland**

*Graduation: June 2025*

- Organisations/Awards: Member of the St Andrews Computing Society and Afro Caribbean Society. Gold Inspiring Digital Enterprise Award (iDEA)

## WORK EXPERIENCE

### Unified TSN

*Startup Generalist - Head of Partnerships*

**Scotland**

*September 2022 - Present*

- Performed a versatile role within the start up; from managing partnerships and the biweekly newsletter to website development.
- Embracing the challenges of a dynamic environment, I adapted quickly, supported operations, and played a proactive role in driving growth and successful project execution.

### University of St Andrews Football Team

*Head of Marketing*

**St Andrews, Scotland**

*April 2022 - June 2023*

- Held meetings with potential sponsors to discern if a sponsorship would be beneficial for the club whilst aligning with the clubs values. Maintained public relations by managing all correspondence to the team's email or social media accounts.
- Acted as the primary liaison for potential students, providing them with insights into the team and the broader university sports experience.

### SPS Doorguard

*Emergency Call Handler*

**Glasgow, Scotland**

*July 2022 - August 2022*

- Maintained composure whilst handling a high volume of incoming and outgoing emergency calls from renters all over the UK.
- De-escalated intense situations in a high-pressured environment in an efficient yet effective way whilst adhering to GDPR regulation.

## LEADERSHIP EXPERIENCE

### Pulse Creative Collective

*Director*

**St Andrews, Scotland**

*March 2023 - Present*

- Founded and currently manage a thriving events management company primarily serving the St Andrews region which has successfully executed events, ranging from club nights to black tie balls, consistently receiving positive feedback from clients through our CRM
- Oversee and manage the company's financial operations, ensuring fiscal responsibility and sustainability. Implemented cost-saving measures resulting in an approximately 3x increase in profit per event relative to our first event.
- Orchestrated the logistics of event materials, including staging, lighting, audio-visual equipment, and catering, ensuring on-time delivery and setup while simultaneously crafting and executing comprehensive procurement strategies for events.
- Established performance and merit-based evaluation system to assess staff performance, while cultivating forward-thinking, inclusive, and performance-driven company culture.
